

NASEO Kickoff Meeting of the Arizona Residential Building Construction and Durability Market Characterization Study

Wednesday, June 17, 2026

**State Capitol Executive Tower, 1700 W Washington Street
2nd Floor, Governor's Conference Room
Phoenix, Arizona 85007**

Agenda

10:00 a.m. – 10:25 a.m.

Welcome, Introductions, and Project Overview

This session will welcome participants and introduce the field study's objectives, tasks, and timeline.

Presenters:

- Liepa Braciulyte, Senior Program Manager, National Association of State Energy Officials
- Jim Meyers, Buildings Program Director, Southwest Energy Efficiency Project
- Jeremiah Dean, Program Manager, Arizona Governor's Office of Resiliency

10:25 a.m. – 10:45 a.m.

Data Collection Process Review

This session will review the data collection process, including benefits of data transparency, opportunities for the building industry workforce, measures that will be used to maintain anonymity for builders and jurisdictions, and the final state-wide data outputs.

Presenters:

- Shaunna Mozingo, Codes Project Manager, NORESKO
- Kim Newcomer, Senior Technical Advisor, Building Energy Codes Program, Pacific Northwest National Laboratory

10:45 a.m. - 11:00 a.m.

Break

11:00 a.m. - 11:30 a.m.

Metrics and Methodology

The presentation will describe the energy metrics and data that will be collected as part of the market characterization study methodology. Suggested edits, comments, and questions will be welcomed from the audience.

Presenters:

- Kim Newcomer, Senior Technical Advisor, Building Energy Codes Program, Pacific Northwest National Laboratory
- Shaunna Mozingo, Codes Project Manager, NORESKO

11:30 a.m. - 12:00 p.m.

Durability Metrics and Methodology

The presentation will describe the new resilience metrics and data that will be collected as part of the resilience focus of the study. Suggested edits, comments, and questions will be welcomed from the audience.

Presenters:

- Shaunna Mozingo, Codes Project Manager, NORESKO
- Kim Newcomer, Senior Technical Advisor, Building Energy Codes Program, Pacific Northwest National Laboratory

12:00 p.m. – 1:00 p.m.

Lunch

1:00 p.m. - 1:30 p.m.

Sampling Plan Review

Speakers will present the proposed strategy for sampling new construction homes throughout the state and open the floor to any suggested changes to the sampling plan.

Presenters:

- Jim Meyers, Buildings Program Director, Southwest Energy Efficiency Project
- Shaunna Mozingo, Codes Project Manager, NORESKO

1:30 p.m. - 2:00 p.m.

Questions and Discussion
